Vanguard Manufacturing Inc.

Since 1975 Vanguard Manufacturing has been creating quality sewn products. From its inception our company's focus has been laundry containment. We use only the finest materials and our craftsmanship is superior. All our products are 100% guaranteed. Customer satisfaction is our first priority. Our company's philosophy is simple, "give the customer a quality product at competitive prices."

WashPro

U.S. Patent No. 6,478,464

The next generation in laundry containment.

*Tired of lost socks?
WashPro
is the solution.*

The WashPro Z

Product Description

The **WashPro Z** is an innovative system designed to meet your team's laundry needs. The 24" heavy duty nylon laundry strap securely holds larger clothing such as pants, shorts, and shirts. Attached to the strap, the specially designed 12" x 15" mesh sock bag eliminates the problem of lost socks. The bag remains closed throughout the laundry process with a locking YKK heavy duty nylon zipper. A cotton ID patch is sewn to each bag.

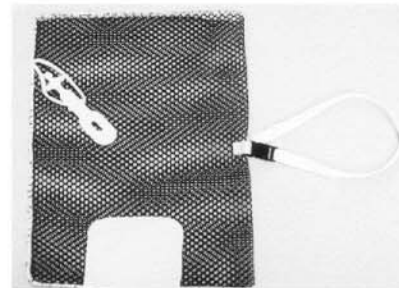

The WashPro 200

9" x 12" Bag

18" Strap

Bag is held closed with a heavy duty drawcord and cordlock.

The WashPro RC

12" x 15" Bag

24" Strap

Bag is held closed with a one or three hole rubber closure.

www.washpro200.com

How to Use the WashPro

1. Thread the laundry strap through the leg opening of pants and neck opening of shirts.
2. Secure the strap buckle.
3. Place socks in mesh bag.
4. Close the bag.

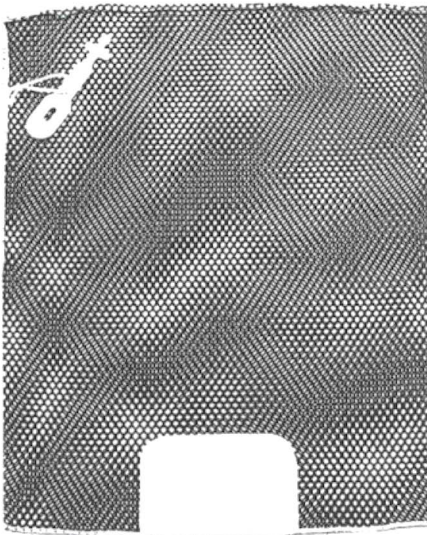

The cotton ID patch can be marked for easy identification and sorting.
